THIS IS *the* M

The M, Day Perspective
Artist's Impression

For illustration purposes only

Come home to The M. Your well-connected home in the city. A mixed-use development featuring 522 residences across three 20-storey towers and a 6-storey tower, with retail and F&B stores at ground-level for your convenience.

Featuring Studio and 1- to 3-bedroom units, experience first-of-its-kind home innovations at The M, with special provisions that allow you to work from home intelligently.

WELCOME TO THE **CLUB.**

Club M features five configurable function rooms such as The Boardroom to host meetings and discussions, or have a quiet and relaxing place to work. Residents can also whip up cookies in Bakerzone, stay active at Fitness X, or enjoy a game of Golf Snooker at the exclusive clubhouse.

Take a dip in the 50m Starlight Pool or find time for yourself to relax in The Pendulum. The E-deck is filled with spaces for relaxation and features The Verandah, specially designed to offer you a respite from the bustle of the city, where life takes on a slower tempo and your well-being takes centre stage.

Take it up a notch at the Roof Terrace. Enjoy a relaxing soak at the Jacuzzi Pool, enjoy a barbeque with friends at The Grill, or just relax under the night sky on the Star Deck.

WHERE PRODUCTIVITY GETS **PERSONAL.**

For illustration purposes only

A new concept by Wing Tai Asia, **HOME/WORK®** creates a conducive environment and a new standard for you to realise your career ambitions right from home.

Experience flexible, adaptable studios and 1-bedroom residences that transform seamlessly from living areas to productive workspaces in mere moments. Studios enjoy innovative features that maximise your space such as a dual-use kitchen countertop, sliding wardrobe and well-thought-out ceiling storage spaces, while 1-bedroom residences feature a multi-functional integrated kitchen table for a configurable space that takes you from breakfast to business in minutes.

Dual-use kitchen counter-top to maximise kitchen space

Multi-functional kitchen table for dining and entertaining guests

Sliding wardrobe for customisation of your **personal** space

Ceiling storage that's the **perfect** fit for your storage needs

Configurable **work station** and the freedom to create a setting for productive work and meetings

Integrated table for **flexibility** of creating more space for your working needs

Create a smart work storage system that gives **you** more room for business

A **conductive** work environment free from clutter and distractions

A SMARTER, MORE PERSONAL HOME.

**TOUCHLESS WAVE SCANNER

Life gets much
more intelligent at

the **M**

Be the first to experience an even smarter lifestyle with pioneering technology. With innovations such as a touchless wave scanner to access your lift lobby – enjoy seamless integration and connectivity the moment you come home.

HEAT RECOVERY SOLUTION

Enjoy an energy-efficient home. Smart technology utilises waste energy produced by your air-conditioners to heat up water for your shower, saving up to 25% on energy consumption.

SMART HOME FEATURES

SMART HUB

A powerful and versatile hub that integrates a wide range of smart devices that enables you to control your entire smart home system from a single platform.

SMART LOCK

Enjoy keyless entry with the ability to unlock your door remotely.

SMOKE DETECTOR

Alerts you on your smartphone when smoke is detected so that you can inform guards or neighbours to investigate if no one is home.

SMART AIR-CONDITIONING SYSTEM

Control and adjust the settings of your home air-conditioning system through your smartphone.

WATER HEATER CONTROL

Enjoy having hot water ready any time you need. Automatic schedules turn your water heaters on and off to suit your lifestyle and save electricity.

SMART COMMUNITY FEATURES

QR READER FOR VISITOR MANAGEMENT SYSTEM

Provide your visitors access by creating QR codes they can use to scan their way in.

SMART PARCEL

Never miss a delivery, even when no one is home to receive it. Get notified of your parcel and simply collect it at your convenience within the premises.

SMART COMMUNITY APP

- Book facilities
- Control lights and air-conditioners
- Apply for payments and permits online
- Receive notifications from the Management

SMART LETTER BOX

Go keyless and unlock your letter box with a personalised password, and never worry about losing your keys again.

VIDEO SURVEILLANCE SYSTEM

Have peace of mind with a comprehensive surveillance system, which continuously monitors all potentially vulnerable points such as main gates, side gates and lobby areas.

LIFE REVOLVES AROUND **THE M.**

Your fast-paced life requires a home that connects you to where you need to be within minutes. In a district with a vision of going car-lite with seamless connectivity throughout the city and beyond, you can be connected to wherever you need to be – with a myriad of options at your doorstep.

Within 4 to 8 min walking distance from 3 MRT Stations (Bugis, City Hall and Esplanade) and served by 4 lines (North-South, East-West, Downtown and Circle lines)

Minutes to the ECP, KPE, PIE, MCE

Upcoming underground walkways and pathways for ultra-connectivity that links you to the best of the city

RIGHT IN THE
MIDDLE

LIVING ART.
LIVING HERITAGE.

The development objectives of Wing Tai Asia are directed by quality and progressive design, with a consciousness for the environment. Principles of sustainability are articulated in our design and development approaches for enrichment of living environments, integrating developments into surrounding greenery and locale, transforming living spaces into cherished homes.

Challenging convention while embracing heritage and tradition, exciting yet functional, our projects invite people to appreciate the beauty of timeless design. We have a steadfast commitment to quality in every aspect of our developments, from immaculate craftsmanship to impeccable service. This finesse is manifested in our pairing of world-renowned architects and designers for collaborations, bringing together contrasting approaches and cultures to create projects that break new ground.

With an attractive portfolio of residential properties that are globally sought after by a discerning clientele, like Le Nouvel Ardmore, The Crest, The Tembusu, The Garden Residences, Belle Vue Residences and Draycott Eight, we constantly seek to create lasting value for our customers.
