Enjoy connected living at the crossroads of convenience and comfort

J'den is the district's first mixed-use development that is seamlessly integrated with J-Walk.

The elevated sheltered network of interconnected pedestrian walkways spans four kilometres, linking key landmarks, current and future MRT lines, the bus interchange, and the upcoming Jurong East Integrated Transport Hub. For cyclists, the 15-kilometre dedicated cycling path network not only enhances safety but also improves connectivity within the car-lite district.

A home is only as inviting as its neighbourhood. Residents will be spoilt for choice by the diverse and vibrant community that Jurong Lake District has to offer.

Beyond F&B on Level 1, J'den has notable neighbours such as Westgate, IMM, Jem and Jurong East Central serving up eclectic shopping and dining options.

As your needs change, so do your flexible spaces

Your home should not be defined by walls, but by your desires. Should you dream of a more spacious master suite, children's playroom or the ultimate entertainment oasis, simply customise the space to suit your lifestyle.

J'den empowers you with the freedom and flexibility to redefine the boundaries of your home as you wish, unfettered by restrictions that apply to other developments.

The Entertainer

Expand your living area with an extended room, creating an indulgent entertainment venue that offers utmost comfort for hosting your esteemed guests.

The Dreamer

Merge two bedrooms into a single space, crafting a whimsical wonderland that embodies every child's cherished dreams.

The Fashionista

Design an opulent master suite of luxury, comfort and sophistication, complemented by a meticulously-curated walk-in wardrobe tailored to your inner fashionista.
